

The YPDC Cheat Sheet

Below you will find some important reminders that might answer your questions and concerns as the camp season begins. Please follow us on both on Instagram and Facebook. We also have a Google Classroom with the code posted below.

Bus Reminders

Drivers will be doing dry runs on the weekend before camp starts. If you are not home, your child's driver will leave a slip in your mailbox that will inform you of your driver's name and *tentative pick up time* for the first day of camp.

Please expect delays the first few days of camp. Drivers are learning their routes so please be patient. We have an incredible bus dispatcher who will be more than willing to answer all of your questions and concerns. The bus company's number is listed below.

T-Shirt Information

Each camper receives two t-shirts and one bag on the **first day of camp**. If you have ordered extra t-shirts your child will receive them on the second day of camp. T-Shirt order forms can be downloaded at ypdc.com/Nassau

Camp Forms

All required forms that your child will need to start camp are downloadable on our website at ypdc.com/nassau. Please be sure to click on Nassau. These forms are the **Camper Medical Form, Permission to Swim Form and Camper Release Form**. If you are going to participate in the lunch program we will be mailing those forms home the week before camp begins.
